

10-yr Reunion attendees with Dr. Carroll Wilde

As we've said before, our 10-year reunion was such a success, we decided then that we should do it again in 5 years. So, let's get together and **celebrate!!!**

We're hoping a lot of people can attend to help celebrate friendship, memories and a great academic accomplishment!

Please RSVP to:

Karen: (804)744-2494

Karen@overall.org

or

Amy: (206)780-6934

AmyHughes40@hotmail.com

We've finalized a date for the reunion.

It will be September 20-22, 2002.

The Frews have invited us to their house for

Saturday evening and we're

working on some other great events.

Please let either Karen or Amy know if you can attend – preferably by August 20th – so you have time to make arrangements and we

have time to plan for an agenda.
